

Visual Sample Proof

Before approving this visual for production, please, take your time to review all of the information below

CHECK LIST

- Double check the marked size for each garment on this document.
- Double check the garment colours are as desired. Bare in mind that due to screen calibration and compatibilities it may vary from the physical item.
- Unless specific guidelines for artwork positioning are requested, all of the artwork placements on this visual are based on standard positioning.
- Be aware of the notes marked in red. They tell important information regarding the quality of your artwork or additional requests.
- Garments are represented schematically. This sample is not meant to scale as garments differ from each other in many ways.

How do I request a revision?

On the email we sent you, you'll find an **"Approve"** and **"Request Change"** buttons. Click the latter to ask for alterations. Once you've done that, we'll send you a new version of this file for your online approval.

Be reassured that we will never start production on an order until you've approved the visual. :)
